## SIMPLE. HELPFUL. CONVENIENT.

## CBIZ Health Shopper helps you make the most of your healthcare dollars.

Health Shopper maximizes your Flexible Spending Account (FSA) and Health Savings Account (HSA) dollars by making it easy to learn about, shop for, select, and purchase FSA and HSA eligible retail items.

Choosing eligible, useful, and valuable health care products shouldn't be a guessing game. With Health Shopper, you can quickly identify qualified products, confidently choose what will work best for you, and conveniently complete your purchase. Health Shopper is easily accessible through your [myplans.cbiz.com](https://myplans.cbiz.com) account and *My Plans by CBIZ* mobile app.

### Shop smarter with Health Shopper.

- Save time. Health Shopper helps you find the products you need quickly and easily, as well as provides seasonal recommendations.
- Health Shopper purchases are made through Amazon so you can take advantage of your Amazon Prime benefits, including free two-day shipping!
- Only FSA and HSA eligible products are found on Health Shopper, so you never need to wonder whether you can purchase listed items with your FSA or HSA funds. But if there is ever any doubt, use the handy Eligible Expense List tool to double-check!
- Save money, too. By using Health Shopper, you're not just finding FSA and HSA eligible products, you're also getting them at the best price!
- Health Shopper has FSA and HSA calculators to help you understand your account, set savings goals, and make the most of every dollar. Plus, there are helpful blog posts and FAQs available.

Access Health Shopper by logging into your [myplans.cbiz.com](https://myplans.cbiz.com) account or through the *My Plans by CBIZ* mobile app.
