GENERAL PROVISIONS

INCONTESTABILITY: Any statement made by you or your Dependent(s) to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the Benefit Amounts for which the Insured is covered. The following rules apply to each statement:

(1) No statement will be used in a contest unless:
    (a) it is in written form signed by the Insured; and
    (b) a copy of such written instrument is, or has been, furnished to the Insured's beneficiary or legal representative.
(2) If the statement relates to your or your Dependents' insurability, it will not be used to contest the validity of insurance that has been in force, before the contest, for at least two years during the Insured's lifetime. In addition, we will not use such statements to contest a benefit increase after such benefit increase has been in force for two years during the Insured's lifetime.

CLERICAL ERROR: Clerical errors in connection with the Policy or delays in keeping records for the Policy, whether by the Policyholder, us, or the plan administrator:

(1) will not terminate insurance that would otherwise have been effective; and
(2) will not continue insurance that would otherwise have ceased or should not have been in effect.

If appropriate, a fair adjustment of premium will be made to correct a clerical error.

Clerical Errors include (but are not limited to) the payment of premium for coverage not provided by the Policy. If appropriate, a fair adjustment of premium will be made to correct a clerical error. Such adjustments will be limited to the 6 month period preceding the date we receive proof from you that an adjustment due to overpayment of premium should be made or the date we discover that premium has been underpaid.

MISSTATEMENT OF FACTS: If relevant facts about any person were misstated:

(1) an adjustment of the premium will be made; and
(2) the true facts will decide what amount of insurance is valid under the Policy.

If any misstated fact impacts the amount of premium that should have been paid, any benefit payable shall be in the amount the paid premium would have purchased based on the correct fact(s).

ASSIGNMENT: The benefits under the Policy may not be assigned, except as required by law.

NOT IN LIEU OF WORKERS' COMPENSATION: The Policy is not a Workers' Compensation Policy. It does not provide Workers' Compensation benefits.

INDIVIDUAL ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

ELIGIBLE CLASSES: The eligible classes will be those persons described on the Schedule of Benefits.

ELIGIBILITY REQUIREMENTS: You are eligible for insurance under the Policy if you are a member of an Eligible Class, as shown on the Schedule of Benefits page.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: The insurance of an Eligible Person will go into effect on the date stated on the Schedule of Benefits. If you, as an Eligible Person, pay any part of the premium, you must apply within 31 days from the date you first met the eligibility requirements for the insurance to go effect. If you do not apply within that period, you will not be able to apply until an approved enrollment period or within 31 days of a qualifying life event. If you do not apply within that period of time, during an approved enrollment period, or within 31 days of a qualifying life event, you may still apply but will be subject to the limitations set forth in the Limitations -Late Enrollment/Benefit increase section.

TERMINATION OF INDIVIDUAL INSURANCE: An Insured Person's coverage will terminate on the first of the following to occur:

(1) the date the Policy terminates; or
(2) the last day of the Policy month in which you cease to be in a class eligible for this insurance; or
(3) the end of the period for which premium has been paid; or
(4) the date you enter military service on active duty (not including Reserve or National Guard).

INDIVIDUAL REINSTATEMENT: Insurance may be reinstated if you, as a former Insured Person, have been:

(1) on an approved leave of absence; or
(2) on temporary lay-off.

You, as the former Insured Person, must return to Active Work with the Policyholder within the period of time shown on the Schedule of Benefits. You must also be a member of a class eligible for this insurance.

The insurance will go into effect on the day you return to Active Work for one full day. However, if you return after having resigned or having been discharged, you will be required to fulfill the eligibility requirements of the Policy again.

DEPENDENT INSURANCE

Nothing in this section will change or affect any of the terms of the Policy other than as specifically set out in this section. All the Policy provisions not in conflict with these provisions shall apply to this section.

Only dependents that meet the definition of Dependent can be insured for this benefit.

A person may not have coverage under the Policy both as an Insured Person and as an Insured Dependent. Only one eligible spouse may cover the eligible children as Insured Dependents. The spouse may be covered as a Dependent if not covered as an Insured. If insurance is in force for one Insured Dependent child, any newly eligible Dependent child(ren) will be automatically insured.

ELIGIBILITY: You, as an Eligible Person, may enroll your Dependent(s) on the date you become an Insured Person.

EFFECTIVE DATE OF DEPENDENT INSURANCE: If the Policyholder pays the entire premium for Dependent(s), an Insured Dependent's insurance will become effective on the later of:

CLASS 1:

(1) the first day of the month coinciding with or next following the date you become eligible for Dependent Insurance; or
(2) the first day of the month coinciding with or next following the date the dependent meets the definition of Dependent.

CLASS 2:

(1) the date you become eligible for Dependent Insurance; or
(2) the date the dependent meets the definition of Dependent.

If you pay any portion of the Dependent premium for Dependent insurance, you may insure your Dependent(s) by applying for the insurance. In this case, the insurance for Dependent(s) will take effect on the later of:

CLASS 1:

(1) the first day of the month coinciding with or next following the date you become eligible for Dependent insurance; or
(2) the first day of the month coinciding with or next following the date the dependent meets the definition of Dependent, if application is made on or before that date; or
(3) the first day of the month coinciding with or next following the date of application if application is made within 31 days from the date your Dependent first becomes eligible for this insurance.

CLASS 2:

(1) the date you become eligible for Dependent insurance; or
(2) the date the dependent meets the definition of Dependent, if application is made on or before that date; or
(3) the date of application if application is made within 31 days from the date your Dependent first becomes eligible for this insurance.

Changes in your Insured Dependent's benefits are effective as shown on the Schedule of Benefits.

DEPENDENT SPOUSE: For a Dependent spouse who is confined in a Hospital or medical facility or at home on the date on which she/he would otherwise become insured, insurance will be effective as of the date of the confinement ends. This requirement does not apply to newborns of the Insured Person.

NEWLYWED: If an Insured Person gets married and had not previously elected Dependent spouse coverage, his/her new spouse shall automatically become an Insured Dependent spouse provided that the spouse is not confined in a Hospital or medical facility or confined at home due to a medical condition.

The spouse shall be an Insured Dependent spouse for 31 days. He/she shall then cease to be an Insured Dependent spouse unless:

(1) the Insured Person requests continuation of such Dependent spouse coverage within the 31 day period; and
(2) the additional premium is paid for such coverage.

NEWBORN CHILD: An Insured Person's child born while the Policy is in force is provided coverage for benefits under the Policy for the first 31 days. He/she shall then cease to be an Insured Dependent child unless:

(1) the Insured Person requests continuation of such Dependent child(ren) coverage within 31 day period; and
(2) the additional premium is paid for such coverage.

The above coverage will also be extended to newly adopted, foster or stepchildren, as of the date they become financially dependent on the Insured Person for support, provided they otherwise meet the definition of Dependent.

TERMINATION OF DEPENDENT INSURANCE: The insurance for Insured Dependent(s) will terminate on the first of the following dates:

(1) the date this Section of the Certificate terminates;
(2) the end of the period for which premium for the Dependent insurance has been paid;
(3) the last day of the Policy month in which the Insured Person's insurance terminates; or
(4) the date the dependent is no longer a Dependent as defined in this Certificate

CONTINUATION OF INDIVIDUAL INSURANCE

TEMPORARY CONTINUATION OF INDIVIDUAL INSURANCE: An Insured Person no longer eligible for coverage may continue his/her coverage and that of his/her Insured Dependent's coverage by payment of premium, beyond the date the Insured Person ceases to be eligible for insurance, but not longer than:

(1) 12 months, if due to Sickness or Injury; or
(2) 1 month, if due to temporary lay-off; or
(3) 1 month, if due to approved leave of absence.

EXTENSION OF BENEFITS: If an Insured is Confined on the date his/her insurance ends and his/her Confinement continues beyond the end date, and coverage is not continued under the Temporary Continuation of Individual Insurance provision or Portability provision we will pay the following benefits, subject to the terms and conditions of this Certificate:

(1) Hospital Confinement;
(2) Hospital Confinement – ICU; and
(3) Hospital Confinement – Nursery Care.

However, these benefits will not be available to the Insured under this provision if:

(1) the Insured's insurance ends due to non-payment of premium; or
(2) coverage ended as a result of the Insured's voluntary termination of coverage; or
(3) benefits are not related to the same Covered Event as that which caused the Confinement.

If the benefits under this provision are payable, the benefits will end on the earlier of:

(1) the date the Insured is no longer Confined; or
(2) 90 days after the date the Insured's coverage under the Policy ends; or
(3) the date the Insured reaches the Plan Maximum for the Confinement benefits.

If the Insured is Confined again at any time after discharge, no further benefits will be payable.

PORTABILITY: An Insured Person may continue coverage and that of his/her Insured Dependent(s) under the Policy if coverage would otherwise terminate because the Insured Person ceases to be an Eligible Person, for reasons other than the termination of the Policy, or the Insured Person's retirement, provided the former Insured Person:

(1) notifies us within 31 days from the date he/she ceases to be eligible; and

(2) remits the necessary premiums when due.

The benefits available under this provision will be the current benefits that the Insured Person is and his/her Insured Dependents are insured for under the Policy on the last day the Insured Person was Actively at Work.

The premium charged to continue coverage will be based on the prevailing rate charged to all Insureds who choose to continue coverage under this provision. Such premium will be billed directly to the Insured Person on a monthly basis.

Insurance coverage continued under this provision will terminate on the first of the following to occur:

(1) the end of the period for which premium has been paid; or
(2) the date the Insured Person attains age 70; or
(3) at any time coverage would normally terminate according to the terms of the Policy had the Insured Person continued to be an Eligible Person.

If the Policy terminates subsequent to an Insured Person's election to continue coverage in accordance with this provision, such coverage will be continued in accordance with the provisions of the Certificate.

PROOF OF CLAIM: Written proof must be sent to us within 90 days after the date of services or the occurrence of an event, or as soon as reasonably possible thereafter. In any event, proof must be given within one year, unless the claimant is legally incapable of doing so. Failure to furnish such proof within such time shall not invalidate nor reduce any claim if it was not reasonably possible to furnish such proof within such time.

Proof of claim must include:

(1) the nature and date of the claim and reason claim is being made; and

EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL LEAVE ACT AND UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Family and Medical Leave of Absence:

We will continue an Insured's, if applicable, in accordance with the Policyholder's policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

Any changes such as revisions to coverage due to change in class will apply during the leave except that increases in your Benefit Amounts, whether automatic or subject to election, will not be effective for you if you are not considered Actively at Work until you have returned to Active Work in an eligible class for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in the Policy.

An Insured's coverage will cease under this extension on the earliest of:

(1) the date the Policy terminates; or

(3) the date such leave should end in accordance with the Policyholder's policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA.

Should the Policyholder choose not to continue your coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, your coverage as well as any Dependent coverage, if applicable, will be reinstated in accordance with the Family and Medical Leave Act and USERRA.

APPENDIX ONE
NOTICE OF PROTECTION PROVIDED BY
MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a *brief summary* of the Missouri Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).)

The basic protections provided by the Association are as follows:

- Life Insurance
- $300,000 in death benefits, but not more than $100,000 in net cash surrender and net cash withdrawal values
- Health Insurance
- $500,000 for health benefit plans
- $300,000 in disability insurance benefits
- $300,000 in long-term care insurance benefits

TIMING OF NOTIFICATION OF BENEFIT DETERMINATION

Non-Disability Benefit Claims
If a non-disability claim is wholly or partially denied, the claimant shall be notified of the Adverse Benefit Determination within a reasonable period of time, but not later than 90 days after our receipt of the claim, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the benefit determination is expected to be rendered.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing.

Disability Benefit Claims
In the case of a claim for disability benefits, the claimant shall be notified of the Adverse Benefit Determination within a reasonable period of time, but not later than 45 days after our receipt of the claim. This period may be extended for up to 30 days, provided that it is determined that such an extension is necessary due to matters beyond our control and that notification is provided to the claimant, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the claimant is notified, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date by which a decision is expected to be rendered. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the claimant shall be afforded at least 45 days within which to provide the specified information.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended due to a claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

ERISA STATEMENT OF RIGHTS

As a participant in the Group Insurance Plan, you may be entitled to certain rights and protections in the event that the Employee Retirement Income Security Act of 1974 (ERISA) applies. ERISA provides that all Plan Participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including

insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefits plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interests of you and other Plan Participants and Beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance policy and the Plan. The claims review fiduciary has the discretionary authority to interpret the Plan and the insurance policy and to determine eligibility for benefits. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal Court. If it should happen that Plan Fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest Office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
