

FlexAccess™

Copay Assistance Program

Overview

Your Blue Cross and Blue Shield of Kansas (BCBSKS) prescription drug benefits are compatible with most forms of manufacturer copay assistance programs, also known as coupons. These programs help by reducing your out-of-pocket expense for certain medications. BCBSKS has partnered with FlexAccess to make it simple and easy for members to access coupons for select medications.

The amount paid by the manufacturer will not count towards your deductible and annual out-of-pocket maximum, if applicable.

Enrollment

When purchasing certain drugs, you will be contacted by a FlexAccess team member by phone to register you in the drug manufacturer's copay assistance program to minimize your out-of-pocket expense. If you choose not to register with FlexAccess, you may be responsible for your copay without assistance.

Please note that some manufacturers do not allow FlexAccess to enroll you in the manufacturer copay assistance program on your behalf. If FlexAccess is unable to complete the enrollment on your behalf, they will provide you with the information necessary for you to self-enroll in the copay assistance program. Once you have self-enrolled, you will be asked to share your copay assistance information with your pharmacy.

How it works

Claim Description	Total Cost	Plan Pays	Copay	Manufacturer Pays	Member Pay/Amount Applied to Accumulators
Enrolled members	\$4,500	\$2,700	\$1,800	\$1,795	\$5
Member opt-out	\$4,500	\$2,700	\$1,800	-	\$1,800

Examples meant to illustrate the breakout of dollars on a FlexAccess claim/scenario. Amounts shown are hypothetical and could vary; manufacturer assistance program rules subject to change.

How to opt out

If you choose not to enroll in the copay assistance program, please contact the FlexAccess team at 888-302-3618.

If you do not enroll, or opt out of using copay assistance, you will be charged the full amount which the assistance program would have covered.
