# Register your account online

*Get organized, save time and make the most your investments for the future.*

## → It's secure

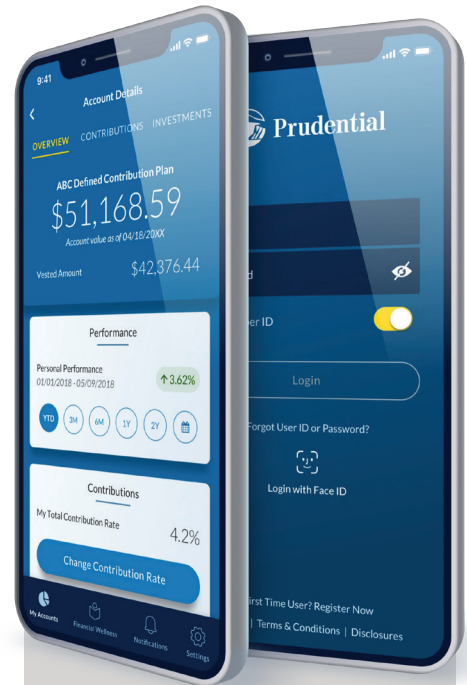

Prudential understands that your retirement nest egg is likely one of your most valuable assets. It gives you the confidence you'll be able to live the life you want tomorrow, which helps you sleep better today. That's why Prudential makes account security one of its top priorities.

A newly registered account is restricted until you provide a registration code. Additionally, before certain transactions can proceed, you must enter a code sent to you by email or text. These precautions are commonly known as enhanced verification and multi-factor authentication.

Prudential also gives you tips for actively managing the security of your accounts. You can find them by going to [www.prudential.com/explore-login](http://www.prudential.com/explore-login) and clicking "Information About Internet Security."

## → Convenient

Your online account helps keep your records centralized, organized, and quickly helps you find information you need. Plus, you can make transactions in just a few clicks. And with same day monitoring, you're better positioned to make the most of your investments.

Take your account everywhere you go—on mobile devices and with the Prudential app.

Bring Your Challenges®

## → And easy

To register your account online, simply click “Register Now” and enter the last four digits of your Social Security number, date of birth, and ZIP code. It’s that simple! So, with all you stand to gain, isn’t it time you give online account management a try?

## → Not participating in the plan?

Enrolling is easy. Click “Register Now” and enter the last four digits of your Social Security number, date of birth, and ZIP code. From there you’ll decide how much to contribute to your account each pay period and how you’d like that money invested. If you don’t choose an investment, your money will be automatically directed to an investment chosen for you by your employer.

**Register and log in to your account.**
