Subject to the conditions of eligibility set forth below, and to all of the other conditions of this Plan, You are eligible if You are in an eligible class of Employees and are an active Full-Time Employee.

If You are a partner or proprietor, We will treat You like an Employee if You meet this Plan's conditions of eligibility.

Conditions of Eligibility

You are eligible for Hospital Indemnity coverage if You are:

- Legally working in the United States, or working outside of the United States for a United States based Employer in a country or region approved by Us; and
- Regularly working at least the number of hours in the normal work week set by the Employer (but not less than 30 hours per week) at: (1) the Employer's place of business; (2) some place where the Employer's business requires You to travel; or (3) any other place You and the Employer have agreed upon for the performance of occupational duties.
- Age 69 or below at the time of Your enrollment.

You are **not** eligible for Hospital Indemnity coverage if You are:

- A temporary or seasonal Employee;
- Age 70 or older at the time of Your enrollment

Enrollment Requirement: If You must pay all or part of the cost of Your coverage, We will not cover You until You enroll and agree to make the required payments.

B005.0583

The Service Waiting Period If You are in an eligible class, You are eligible for Hospital Indemnity coverage under this Plan after You complete the Service Waiting Period, if any, established by the Employer.

B005.0581

Multiple Employment If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple Hospital Indemnity coverages under this Plan. But, if this Plan uses the amount of Your earnings to set the rates, determine class, figure coverage amounts, or for any other reason, such earnings will be figured as the sum of Your earnings from all covered Employers.

B005.0582

Coverage During Temporary Layoff or Leave of Absence: If Your active Full-Time service ends because You were laid off or go on a leave of absence approved by Your Employer, You may continue Your insurance, subject to continued payment of premium, until the earlier of: (a) the end of the temporary layoff or Employer approved leave of absence; and (b) 1 months following the date the temporary layoff or approved leave of absence begins. If You become Disabled under this Plan while Your coverage is being continued during a temporary layoff or leave of absence, Your eligibility for benefits will be governed by all the term of this Plan.

B005.0585

When Employee Coverage Starts

Your Eligibility Date is the date You have met all of the conditions of eligibility.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do not elect this coverage within 31 days of Your Eligibility Date, You must wait until the next scheduled group enrollment period. Once each year, during the group enrollment period You may elect to enroll in this coverage as offered by Your Employer. As used here, "group enrollment period" means an annual open enrollment period set by Your Employer and agreed to by Us. During this period, You can choose the Hospital Indemnity coverage Your Employer offers. An open enrollment period is usually held once a year and usually lasts for 30 days.

On the date all or part of Your coverage is scheduled to start, You must be: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. In that case, Your coverage will start at 12:01 A.M. Standard Time for Your place of residence on that date. In any other case, We will postpone the start of Your coverage until the date You: (a) return to Active Work; (b) are working Your regular number of hours; and (c) are fully capable of performing the major duties of Your regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) You were fully capable of performing the major duties of Your regular occupation for the Employer on a Full-Time basis at 12:01 AM standard time for Your place of residence on the scheduled effective date; and (b) You were performing the major duties of Your regular occupation and working Your regular number of hours on Your last regularly scheduled work day; Your coverage will start on the scheduled effective date.

**Exception to When
Employee Coverage
Starts:**

If You are not capable of performing the major duties of Your regular occupation for Your Employer on a Full-Time basis on the date Your coverage is scheduled to start, You will be insured for Hospital Indemnity insurance if:

1. You were insured under the prior insurer's group or individual Hospital Indemnity policy at the time of the transfer;
2. You are a member of an eligible class;
3. premiums for You were paid up to date; and
4. You are not receiving or eligible to receive benefits under the prior insurer's group or individual Hospital Indemnity policy.

Any Hospital Indemnity benefit payable will be the lesser of:

1. the Hospital Indemnity benefit payable under the Group Policy; or
2. the Hospital Indemnity benefit payable under the prior insurer's group Hospital Indemnity or individual policy had it remained in force.

B005.0586

When Employee Coverage Ends

Your coverage will end on the first of the following dates:

- The date Your active service ends for any reason. Your active service ends when You are no longer: (1) Actively At Work; and (2) working Your regular number of hours.
- The date You stop being an eligible Employee under this Plan.
- The date You are no longer working in the United States or working outside of the United States for a United States based Employer in a country or region approved by Us.
- The date this group Plan ends, or is discontinued for a class of Employees to which You belong.
- The last day of the period for which required payments are made for You.

B005.0591

Your Right to Continue Hospital Indemnity Coverage During a Family Leave of Absence

Important Notice: This section may not apply to Your Employer's Plan. You must contact Your Employer to find out if he or she must allow for a family leave of absence under federal law. If he or she must allow for such leave, this section applies.

If Your Coverage Would End: Your Hospital Indemnity coverage would normally end because You cease work due to an approved leave of absence. But, You may continue Your coverage if the leave has been granted to: (1) allow You to care for a seriously injured or ill Spouse, child or parent; (2) after the birth or adoption of a child; (3) due to Your own serious health condition; or (4) because of a Serious Injury or Illness arising out of the fact that Your Spouse, child, parent or Next of Kin who is a Covered Service Member is on Active Duty, or has been notified of an impending call or order to Active Duty, in the Armed Forces in support of a Contingency Operation. To continue Your coverage, You will be required to pay the same share of the premium as You paid before the leave of absence.

When Continuation Ends: Continued coverage will end on the earliest of the following:

- The date You return to Active Work.
- In the case of a leave granted to You to care for a Covered Service Member, the end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to You under this section for all reasons. If You take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case, the end of a total leave period of 12 weeks in any 12 month period.

- The date on which Your Employer's Plan is terminated or You are no longer eligible for coverage under this Plan.
- The end of the period for which premium has been paid.

Definitions: As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to Active Duty in the Armed Forces of the United States.
- **Contingency Operation:** This term means a military operation that: (1) is designated by the Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations or hostilities against an enemy of the United States or against an opposing military force; or (2) results in the call or order to, or retention on, Active Duty of members of the uniformed services under any provision of law or during a national emergency declared by the President or Congress.
- **Covered Service Member:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a Serious Injury or Illness is: (1) undergoing medical treatment, recuperation or therapy; (2) otherwise in Outpatient Status; or (3) otherwise on the temporary disability retired list.
- **Next Of Kin:** This term means Your nearest blood relative.
- **Outpatient Status:** This term means, in the case of a Covered Service Member, that he or she is assigned to: (1) a military medical treatment facility as an outpatient; or (2) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- **Serious Injury Or Illness:** This term means, in the case of a Covered Service Member, an Injury or illness incurred by him or her in line of duty on Active Duty in the Armed Forces that may render him or her medically unfit to perform the duties of his or her: (1) office; (2) grade; (3) rank; or (4) rating.

B005.0594

ELIGIBILITY FOR HOSPITAL INDEMNITY COVERAGE - DEPENDENT

Eligible Dependents

Your eligible dependents are Your Spouse and Your unmarried dependent child(ren) from birth, until the age of 26.

B005.0597

Adopted Children and Step-Children

Your unmarried dependent children include Your legally adopted children and Your step-children. But, Your step-children must depend on You for most of their support and maintenance. We treat a child as legally adopted from the time the child is placed in Your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

B005.0598

Disabled Children

You may have an unmarried child (a) with a mental, intellectual or physical disability or developmental disability and (b) chiefly dependent upon You for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered for dependent Hospital Indemnity benefits before he or she reached the age limit.
- He or she is unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon You for most of his or her support and maintenance.
- You send Us written proof, and We approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, We can ask for periodic proof that the child's condition continues, but We cannot ask for this proof more than once a year.

The child's coverage ends when Your coverage ends.

B044.0470

Dependents Not Eligible

We exclude:

- A dependent who is on Active Duty in any armed force;
- A dependent who is covered by this Plan as an Employee.

A child may be an eligible dependent of more than one Employee who is insured under this Plan. In that case, the child may be insured for dependent Hospital Indemnity benefits by only one Employee at a time.

B005.0601

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception below and to all of the other terms of this Plan, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

If You do this on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do this within 31 days of Your Eligibility Date, the coverage is scheduled to start on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not elect dependent coverage within 31 days of Your Eligibility Date, You must wait until the next scheduled group enrollment period to add dependent coverage. Once each year, during the group enrollment period You may elect to enroll dependents in this coverage as offered by Your Employer. As used here, "group enrollment period" means an annual open enrollment period set by Your Employer and agreed to by Us. During this period, You can choose the dependent Hospital Indemnity coverage Your Employer offers. An open enrollment period is usually held once a year and usually lasts for 30 days.

You may enroll Your dependents outside of the group enrollment period only as follows:

- You may enroll a new Spouse within 31 days of marriage;
- You may enroll for dependent child coverage within 31 days of the birth or adoption of Your first eligible child.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

Exception: We will postpone the effective date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is: (1) Confined to a Hospital or other health care facility or (2) home confined. In that case, We will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility or (b) his or her home confinement ends. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan. This exception does not apply to adopted children and step-children.

B044.0571

When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when Your Employee coverage ends. Dependent coverage also ends for all of Your dependents when You stop being a member of a class of Employees eligible for such coverage. And, it ends when this Plan ends, or when dependent coverage is dropped from this Plan for all Employees or for Your class.

If You are required to pay all or part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

Your dependent's coverage ends when he or she stops being an eligible dependent. This happens to a child at 12:01 A.M. on the date the child attains this Plan's age limit, when he or she marries, or when a step-child is no longer dependent on You for support and maintenance or for Your disabled child who has reached the age limit, when he or she marries or is no longer dependent on You for support and maintenance. It happens to a Spouse when a marriage ends in legal divorce or annulment or a Domestic Partnership ends or no longer qualifies as a Domestic Partnership.

B055.0083-R

The following notice applies if your plan is governed by the Employee Retirement Income Security Act of 1974 and its amendments. This notice is not part of the Guardian plan of insurance or any employer funded benefits, not insured by Guardian.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Statement of Erisa Rights (Cont.)

Enforcement Of Your Rights If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

Definitions "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

"Group Health Benefits" means any accident, cancer, critical illness, specified disease or hospital indemnity coverages which are a part of this plan.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;

Group Health Benefits Claims Procedure (Cont.)

- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

Group Health Benefits Claims Procedure (Cont.)

Claims. Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse benefit determination.

**Alternative Dispute
Options**

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.
