

PODS ADVANTAGES FOR STORAGE & TRANSPORTATION

Look to PODS as the solution for your facility and supply chain demands. Our cross-country moving network and storage container fleet are designed to meet a wide range of needs.

MOVING & STORAGE SOLUTIONS

- Nationwide trucking network
- On-site & off-site containers
- 230+ indoor storage facilities

FACILITIES & MATERIALS MANAGEMENT

- Storage for excess inventory
- Disaster preparedness solutions
- Supply chain expertise

CONSTRUCTION SUPPORT

- Keep supplies close at hand
- Maintain safe jobsites
- Clutter free renovations

CREATE TEMPORARY FACILITIES

The simple and robust construction of PODS containers makes them ideal for modifying into temporary offices, clinics, and other types of facilities.

EMPLOYEE RELOCATION

- Works on any budget
- Low damage claims rate
- Post move-in services
