Plan 2 Schedule of Benefits (Cont'd)

Prescription Drug Plan	The Pharmacy at Parkview	Network Retail Pharmacies
	Retail – Up to a 90 day supply	Retail – Up to a 30 day supply
Generic Co-Payments	\$20	\$50
Brand Name, Preferred Co-Payments	\$40	\$75
Brand Name, Non-Preferred Co-Payments	\$60	\$100
Specialty Drugs at PMC or USSC (excluding insulin) (30-day supply)	20% up to \$200 per prescription	N/A
Approved Diabetic Supplies/ Medications (The Pharmacy at Parkview only)	100%, no Co-Payment	N/A
<p>Approved Diabetic Supplies: Approved insulin (insulin for insulin pumps included), oral medications, lancets, syringes, needles, meters and test strips at 100%, not subject to any Co-Payment, Co-insurance or Deductible, when purchased from the Pharmacy at Parkview (other pharmacies excluded) for members who have met Parkview's Diabetes Care Center's criteria. This excludes insulin pump supplies such as reservoirs, infusion sets, and tubing associated with the use of continuous insulin infusion pumps.</p>		
<p>Intercept Program: The Plan Administrator has procurement programs in place that may require participation in the Intercept program. Co-Pays may be waived for member enrollment and ongoing participation in the Intercept program. Participation in the Intercept program is voluntary. Covered medications may still be obtained subject to satisfying all other eligibility requirements and will result in a higher participant Co-Payment amount. Program participation bonuses are awarded for successful Intercept program participation only and are subject to the drug continuing to be included in the Intercept program. Program medications may be discontinued at any time without notice.</p> <p>Coupons cannot be used unless prior consent from the Plan Administrator / Fund or a part of benefit sanctioned program specific to the Intercept program. The Plan Administrator has a part of its benefit, the Intercept program where program medications require a 40% Co-Pay.</p>		
<p>Generic Drugs are required if available. If Participant purchases a Brand Name Drug when alternative Generic Drug is available, the Participant is responsible for the cost difference between the Brand Name and the Generic Drug, in addition to the Co-Payment.</p>		

Gastric Bypass/ Gastric Sleeve/Lap Banding Benefit

Gastric Bypass/ Gastric Sleeve/Lap Banding	50%, after Deductible	Not Covered
Lifetime Maximum Benefit	\$25,000	
<p>This benefit will only be paid when the procedure is deemed Medically Necessary. Follow-up visits will also be covered subject to the co-insurance.</p>		
<p>This benefit is separate from all other covered services and the co-insurance paid will be separate from all other covered services. The Plan Participant may choose one of the above procedures once per lifetime.</p>		
<p>This benefit will only be paid when the procedure is deemed Medically Necessary. Follow-up visits will also be covered subject to the co-insurance.</p>		
<p>This benefit is separate from all other covered services and the Deductible and co-insurance paid will be separate from all other covered services. The Plan Participant may choose one of the above procedures once per lifetime. Required smoking cessation must be proven by urine testing at least 6 weeks prior to surgery. The urine test will be done at the time of insurance pre-authorization.</p>		

* In-Network Benefits will apply for Out-of-Network Benefits as follows:

1. Procedures that cannot be performed by an In-Network Provider.
2. Hospital Admission or treatment in an Out-of-Network Facility or by an Out-of-Network Provider due to an Emergency.

* Out-of-Network charges will be reimbursed by the Plan based on Maximum Allowable Charge.

Benefits are subject to all other Plan exclusions, limitations and provisions and the applicable benefit maximums set forth in this Plan. Please review the Plan carefully to determine benefits available.

If a Participant fails to notify the pre-certification department of any Inpatient Hospital stay or PET scan as required in the section entitled "Pre-Certification Procedures," allowed charges will be reduced to the Out-of-Network benefit level.

"Out-of-Area Dependents: Dependent children and/or spouses that live in a different city than the covered Employee will have the ability to access an additional network of Providers through the MultiPlan network. Services received by a MultiPlan Provider will be paid at the In-Network level of benefits and covered Dependents will receive their own ID card with the network information. Services received outside the MultiPlan service area will be paid at the Out-of-Network level of benefits."
